

# PANGAEA EXPLORATION

*exploration - education - conservation*

## C O R P O R A T E

Pangaea Exploration has been teaching people to sail all over the world since 2010. Our vessel, Sea Dragon, is perfectly designed for beginners to professional sailors.

Give your employees the experience of a lifetime and a unique opportunity to build their capacity as a team. Sailing is the perfect sport to learn leadership, communication and teamwork.

You can charter our vessel and crew who will teach your team to sail as well as leading educational, teambuilding and corporate retreat programming.

*GIVE YOUR EMPLOYEES THE  
TEAMBUILDING EXPERIENCE OF  
A LIFETIME...*

#### WHY COME SAILING WITH US?

- Eight years teaching people to sail, leading expeditions and contributing to solving world ocean issues;
- SV Sea Dragon is designed for beginner sailors so it is the perfect platform for your group to experience hands-on environmental education, team building, personal and professional development & learn to sail;
- Capacity for up to 12 crew and working directly with the Pangaea Exploration staff to plan your adventure;
- Immersive experience encouraging teamwork, leadership skills, communication, personal and professional development, and much more;
- Offshore medical support, experienced crew and all inclusive packages available.

## *PRACTICAL THINGS TO CONSIDER*

- LENGTH OF TRIP: We have a variety of trip lengths from 3 days to multiple month expeditions.
- ARRIVAL & DEPARTURES: We usually have everyone arrive the afternoon before setting sail and departing the morning after we drop anchor.
- TRIP LOCATION: If you have a specific location in mind, we will endeavor to accommodate it if you become a Mission Leader/charter the vessel. If you don't have a specific location in mind - please do have a look at our upcoming itinerary on the website for a trip to join!
- MAKE IT HAPPEN: You can book your spot on our trips directly through our website! The Pangaea Exploration team will be in touch shortly after with all the details.
- COST: Running Sea Dragon is \$4,000/day, but remember this cost is shared by the whole guest crew. That's why we are able to make our costs so reasonable for the trip of a lifetime! Have a browse of our upcoming trips to find a suitable expedition to suit your dream.
