

Pangaea Exploration has been teaching people to sail all over the world since 2010. Our vessel, Sea Dragon, is perfectly designed for beginners to professional sailors.

Give your students the experience of a lifetime where they can the ocean up close, conduct hands-on research and experience sustainable travel.

You can become a Mission Leader and plan the entire itinerary & education program yourself, or work with one of our trusted Mission Leaders to help you plan and deliver a life changing adventure!

WHY COME SAILING WITH US?

- Eight years teaching people to sail, researching and contributing to solving world ocean issues;
- SV Sea Dragon is designed for beginner sailors so it is the perfect platform for your students to experience hand-on environmental education and learn to sail;
- Capacity for up to 12 students with ability to work with the Pangaea Exploration Staff to plan your adventure;
- Immersive experience encouraging teamwork, leadership skills, communication, personal development, confidence;
- Environmental education programming available!

Our Mission

Pangaea Exploration believe that the depth and complexity of the threats to our oceans is significant but practical solutions and the resources to implement them do still exist. The central challenge is our collective will to act, to care. We believe our ultimate success depends on a future generation of inspired conservationists. We strive to:

- Actively strengthen the health of marine life through Exploration, Conservation and Educational work;
- 2) Inspire and develop a new generation of leaders in conservation, science, communication, education, art and policy leadership;
- 3) Provide information and enjoyable ocean sailing expeditions to guest crew, creating personal connections with the oceans and like-minded people.

GET YOUR STUDENTS ON BOARD BY VISITING WWW.PANEXPLORE.COM

Signing up for an adventure with us is very simple. Head over to our website, www.panexplore.com and browse the 2018 Itinerary.

Select the trip or trips you'd like to charter for your students and get in touch with us to start your journey to the adventure of a lifetime!

We have crew on land and at sea who are dedicated to support you through your whole journey – we have years of experience and passion to share with you.

PRACTICAL THINGS TO CONSIDER

- LENGTH OF TRIP: We have a variety of trip lengths from 3 days to multiple month expeditions.
- ARRIVAL & DEPARTURES: We usually have everyone arrive the afternoon before setting sail and departing the morning after we drop anchor.
- TRIP LOCATION: If you have a specific location in mind, we will endeavor to accommodate it if you become a Mission Leader/charter the vessel. If you don't have a specific location in mind please do have a look at our upcoming itinerary on the website for a trip to join!
- MAKE IT HAPPEN: You can book your spot on our trips directly through our website! The Pangaea Exploration team will be in touch shortly after with all the details.
- COST: Running Sea Dragon is \$4,000/day, but remember this cost is shared by the whole guest crew. That's why we are able to make our costs so reasonable for the trip of a lifetime! Have a browse of our upcoming trips to find a suitable expedition to suit your dream.

WHAT'S INCLUDED?

Skipper, First Mate & Deckhand

Full offshore medical support

All food, drink & bedding
